Dear Allen,

We seem to be in a difficulty in obtaining signature and dating for the Declaration/Power Of Atterney from Liban Yusuf. After sending this declaration to him and numerous phone calls on a voice mail, not identified but at the referenced number that we had, we still have not received anything. There is a deadline of may 6th,2001 for filing this document at the US Patent and Trademark Office. Is there any magical solution that you know of such as the Assignment document that he had signed on august 18, 200. By the way, the adress shown in the PCT Substitute Request should be apt. 909, not 209 as written. This is the adress that we had in our files.

I will wait for your comments on this matter.

Best regards,

Claude.
